Risks and considerations

No risks or considerations have been written for this company yet.

Company description

Alphabet Inc. operates as a holding company. The Company, through its subsidiaries, offers online advertising and cloud-based solutions that provide enterprise customers of all sizes with infrastructure, platform services, and applications and sales of other products and services, such as fees received for subscription-based products, apps and in-app purchases, and devices. - Bloomberg

Management

No shares were repurchased in the first half of 2026, with $69.5 billion still authorized, though the board lifted the quarterly dividend 5% to $0.22 in April 2026.
